“Expressive Wines from Small Growers”

Weingut Familie Bauer *Wagram, Austria*

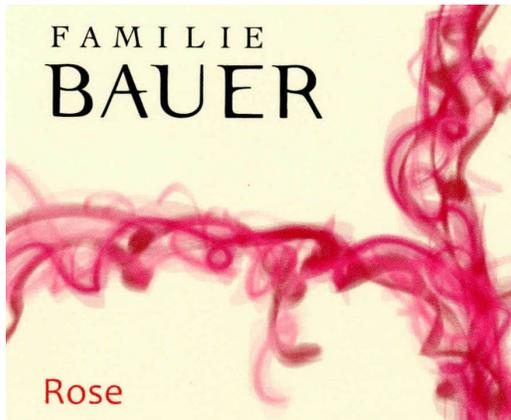

Located in the Grossriedenthal area of the Wagram region, Josef Bauer, alongside his wife Eva Maria, comprise the extraordinary winemakers of Weingut Familie Bauer. The Bauer family can trace their lineage back to 1796 when the farms in Grossriedenthal were used predominantly for animals but since 1983 they have been focused on winemaking. Josef took over the estate in 2001 instituting major enhancements in quality making them one of the best producers in the region. The estate cultivates approximately 20 hectares of vineyards using organic practices to improve every aspect of the environment, from cover crops to creating optimal conditions for predators to dissuade pests that could affect the vines. These practices they believe reflect the natural terroir found in their wines.

In their modern cellar they craft crisp, clean wines from their 17 hectares of vines, including Grüner Veltliner and Roter Veltliner, the stars of this vineyard, as well as Spätburgunder, Zweigelt, Merlot, Blauburger and Riesling, among others.

SAVIO SOARES SELECTIONS

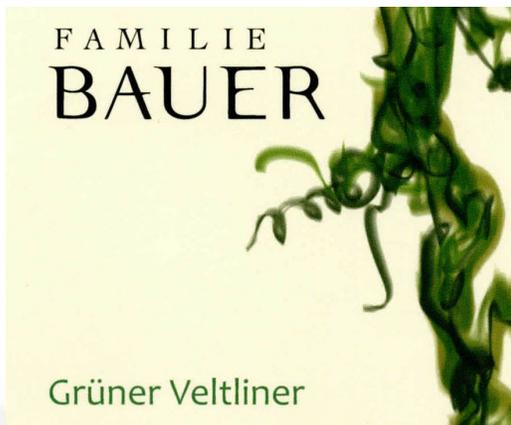

“Expressive Wines from Small Growers”

Rosé, White & Red Liters

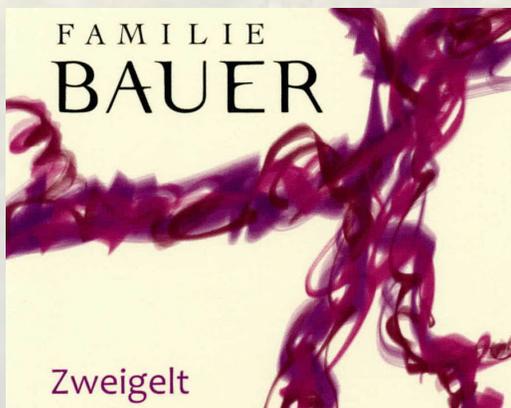

“Bauer Rosé”
Niederösterreich, Austria
100% Zweigelt

Cultivated from 10-40 year-old vines from various soil types in the Grossriedenthal. Harvested at the end of September with under six hours of maceration before spontaneous fermentation begins in stainless steel, lasting two weeks and spends time on lees until January. Aged for six months and filtered.

“Bauer Grüner Veltliner”
Niederösterreich, Austria
100% Grüner Veltliner

Cultivated from 10-40 year-old vines from various soil types in the Niederösterreich. Harvested in early October with whole clusters going directly into spontaneous fermentation in stainless steel, lasting two weeks and spends time on lees until the end of November. Aged for three months and filtered.

“Bauer Zweigelt”
Niederösterreich, Austria
100% Zweigelt

Cultivated from 10-40 year-old vines from various soil types in the Grossriedenthal. Harvested in early October with maceration lasting between 8-10 days in stainless steel before spontaneous fermentation in stainless steel, lasting two weeks and spends time on lees until the end of January. Aged for six months and filtered.

FAMILIE
BAUER

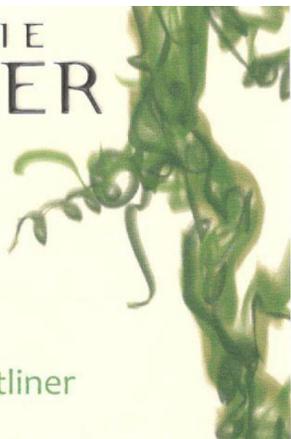

Juche Grüner Veltliner

“Juche”

Wagram, Austria
100% Grüner Veltliner

Cultivated from 30-40 year-old vines planted on red stone soils and limestone. Harvested in early October with whole cluster fermentation between 2-8 weeks with ambient yeasts. Rests on lees until November. Aged three months in steel and filtered.

FAMILIE
BAUER

Grüner Veltliner
Kabinett

“Kabinet”

Wagram, Austria
100% Grüner Veltliner

Harvest from all around Grossriedenthal, the vines age around 15-40 years of age and are planted on 3.5ha of loess which is rich in fossils. The grapes are hand-harvested the first two weeks of October, undergoes intensive vineyard sorting and then they're left in the small boxes for 3-6 hours so that natural crushing and fermentation begins, and then with total fermentation in stainless steel lasting 2-8 weeks. The wine spends its entire time on the lees until end of January with no stirring. The wine is then aged in stainless steel for 5 months and filtered.

BAUER

Roter Veltliner
Wagram Terrassen

ÖSTERREICH

“Terrassen”

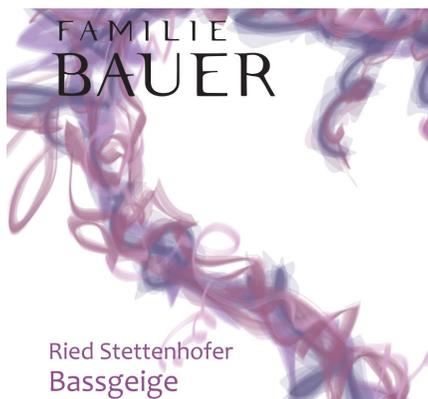

Wagram, Austria
100% Roter Veltliner

Harvest from all around Grossriedenthal, the vines age around 25-40 years of age and are planted on 2.5ha of loess which is rich in fossils. The grapes are hand-harvested in the third week of October and then they're left in the small boxes for 6-9 hours so that natural crushing and fermentation begins, and then with total fermentation in stainless steel lasting 10 weeks. The wine spends its entire time on the lees until end of February with no stirring. The wine is then aged in stainless steel for 6 months and filtered.

“Expressive Wines from Small Growers”

Rosé, White & Red Liters

“Bassgeige”
Wagram, Austria
100% Blauer Zweigelt

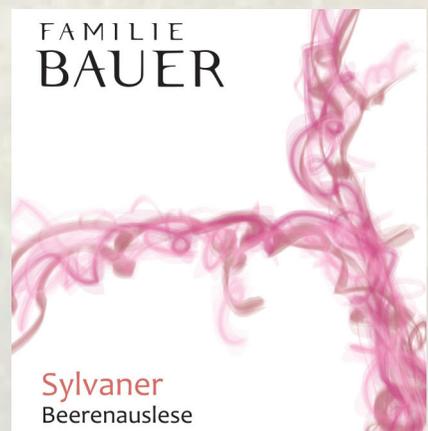

Harvest from 2ha of 15-40 year old vines planted in the Bassgeige vineyard, the soils are composed of 'tegula' with red stones. The grapes are hand-harvested in the second week of October, followed by maceration and fermentation between 8-10 days in stainless steel. One-third of the wine is aged in small oak barrels (4-7 years old) and another 2/3 in large oak barrels (15+ years old). Filtered.

“Eiswein”
Wagram, Austria
100% Blauer Burgunder

100% Blauburgunder (Pinot Noir); hand-harvested under cover of night between Nov-Dec, pressed at -11C - harvest-volume only 10% from normal. Matured in stainless-steel tank and bottled in August 2013.

Acidity: 8.3 g / l Sugar: 272 g / l

“Beerenauslese”
Wagram, Austria
100% Sylvaner

Harvest-volume only 15% from normal. Matured in stainless-steel tank and bottled in August 2015.

Acidity: 11.2 g / l Sugar: 198 g / l
